

The following Fees will be effective April 1, 2017

Although our expenses have increased over the years, most of our fees have remained the same for the past ten to fifteen years. After reviewing our fees, the Board of Directors approved the new fees as indicated below.

5. **NEW FEE Easement Filing Fee \$45** Easements are obtained with every new application for service and when systems improvements are necessary to supply water for development. (This fee is included in the total Installation Fee.)
Easement Filing Fees are not charged when District makes system improvements for District purposes.
6. **Installation Fee (Tap Fee)** (Total of \$70 increase per line item to include the increase on the CSI Fee and the Easement Filing Fee).

5/8" X 3/4"	\$4370
3/4"	\$5935
1"	\$9065
2" Compound	\$26,280
7. **Backflow Device Test Fee \$125** (currently \$100)
13. **Late Payment Fee \$15** (currently \$10)
14. **Returned Check Fee \$50** (currently \$30)
15. **Service Termination Fee \$100** (currently \$75) This includes disconnection and reconnection of service.
16. **Service Trip Fee \$100 per hour with minimum of one hour** (currently \$75)
Afterhours charge.
20. **Customer Service Inspection Fee \$100** (currently \$75)
