

CareFlite Information Correction

In our May newsletter, we stated Medicare recipients had 100% coverage and should consider OPTing OUT of the Medicare \$1 per month membership that would be automatically billed on your monthly water bills.

We have been notified this information is incorrect.

If you are a **Medicare** recipient, you should contact Medicare and your supplemental insurance to determine your % of coverage before making your decision to OPT OUT of the CareFlite \$1 a month membership.

If you are a **Medicaid** recipient, the State provides 100% coverage for CareFlite and you should OPT OUT.

You can view our May newsletter for more information about the membership and monthly payments.

Please use the link below for an OPT OUT form, or you can request a form at our office.

The form must be returned to our office by June 15th.

If you have any additional questions regarding CareFlite, please call the Caring-Heart Members Services Office at (877) 339-2273.

We apologize for any confusion.

Sincerely,

Shirley Blakely Thompson
